**IMPORTATION and CUSTOMS PROCEDURES**

What importation procedures related to **taxes and duties** have been introduced?

Temporary elimination of VAT on imports of protective masks, breathing appliances and hand sanitizers (HS 6307.90.30; 9020.00.00; 3808.94.10); and goods (except furniture) to be used for the construction of purpose building for a residential care home, due to the COVID-19 pandemic. (Permanent Delegation of Mauritius to the WTO, 16 April 2020)

What measures have been introduced to facilitate the **smooth clearance** of goods related to COVID-19?

1. Activation of the Relief Consignment Mechanism MRA Customs is giving expedited release to relief consignments arriving by special chartered air flights. Goods cleared in this category include Covid-19 Test Kits, medicaments and pharmaceuticals, face masks, sanitizers, reagents and other goods of prime necessity. Moreover, clearance for essential goods such as basic necessities is being prioritised. In line with WCO recommended Best Practices, our national legislation makes provision for the treatment of Relief Consignments.

2. Removal of duties and Taxes on PPEs VAT has been removed on hand sanitizers, protective masks, gloves, test kits, and other related medical equipment (taken effect since 24 March 2020)

3. Waiver of penalties and interest for late payments: Given the lockdown prevailing in Mauritius, stakeholders who are unable to effect payment on or before the prescribed deadline under the Deferred Payment Scheme (DPS), were waived from payment of penalty or interest for late payment of Customs duty, excise duty and taxes. Storage charges have been waived for those stakeholders who have not been able to take delivery of their consignments during Sanitary Curfew and lockdown.

4. A **communiqué** has been published on MRA website and a communication line between Customs and external stakeholders has been established for the smooth running of
