

GTR #13 (Phase 2)
Drafting
Task Force 0 Status

Ian MacIntire

October 2020

TF0 Objectives

- Incorporate all agreed changes into GTR #13
- Write new rationale as needed
- Produce a single Phase 2 draft document for final review and approval

TF0 Status

- Workplan developed
- Requested participation of Contracting Party representatives
- Drafting document structure determined:
 - Keep all relevant existing Part I text
 - Add new rational throughout Part I where needed
 - Add/remove regulation text in Part II as needed
- Early-stage redline document is in-work
- More edits will be added as we continue
- No update to cost/benefit analysis
