VPSD Report

Bill Coleman

Report to IG-EVE 7 on the progress of IG-VPSD

- VPSD had a face to face meeting in February 2013 and a web and telephone conference in April 2013.

- Since then there has been no formal activity of the group

- The definitions discussed by VPSD were considered in the drafting of the WLTP gtr

- On behalf of VPSD, Christoph Albus is reviewing the terminology in the EVE reference guide.

- There is much more work to be done.
