

17th Session GRSG informal group on awareness of Vulnerable Road Users proximity in low speed manoeuvres (VRU-Proxi)

MOIS regulation

9th, 10th and 11th of March 2021

Reference correction

Proposal on §6.4.1:

6.4. *Verification of signals test*

6.4.1. *With the vehicle stationary check that the optical failure warning signals comply with the requirements of paragraph ~~5.6-~~5.8 above.*

Justifications:

- §5.6 describes the « information signal » requirements
- §5.8 is the correct paragraph for the optical failure signal requirements
