Part B families shall be subsets of Part A families

most cases

Family A

A1
Algorithm For 2025&26CY

A2
Algorithm For 2027CY

Same Battery durability family
But, Made at 2025CY at 2026CY at 2027CY

Purpose
Part A; Confirmation of the certainty of the relationship between measured SOCE and on board SOCE
Part B; Confirmation of Battery Durability

If A1 family and A2 family pass ISC Part A respectively, Japan understood that there was no problem with the right combination.
