

Draft minutes of the 9th meeting of the Task Force on Studded Tyres May 12th, 2022 starting at 2:00 pm ending at 3:00 pm CET

1. Welcome and introduction

The Chair welcomed the participants and described the targets for the meeting. Attendance list is attached to these minutes. The Chair informed that the Secretary of the Task Force has changed and introduced the substitute.

2. Adoption of the agenda

Agenda was adopted.

3. The draft proposal for supplement 1 of the Regulation 164 on studded tyres

A question regarding clarification whether the proposed addition should be handled as a supplement or as a new series of amendments was raised. The Chair explained, and ETRTO confirmed, that the procedure has been checked from GRBP Secretariat and since it is not a new requirement it can be handled as a supplement.

ETRTO presented the proposal for draft document and explained the rationale behind the proposed modifications. The draft document was reviewed point by point and the participants agreed on the proposed modifications.

Participants agreed to submit the draft proposal as Working Document to GRBP Secretariat by 13th of June, 2022.

4. Other business, if any

It was agreed that the Chair will circulate a draft Status Report when approaching the September 2022 GRBP Meeting.

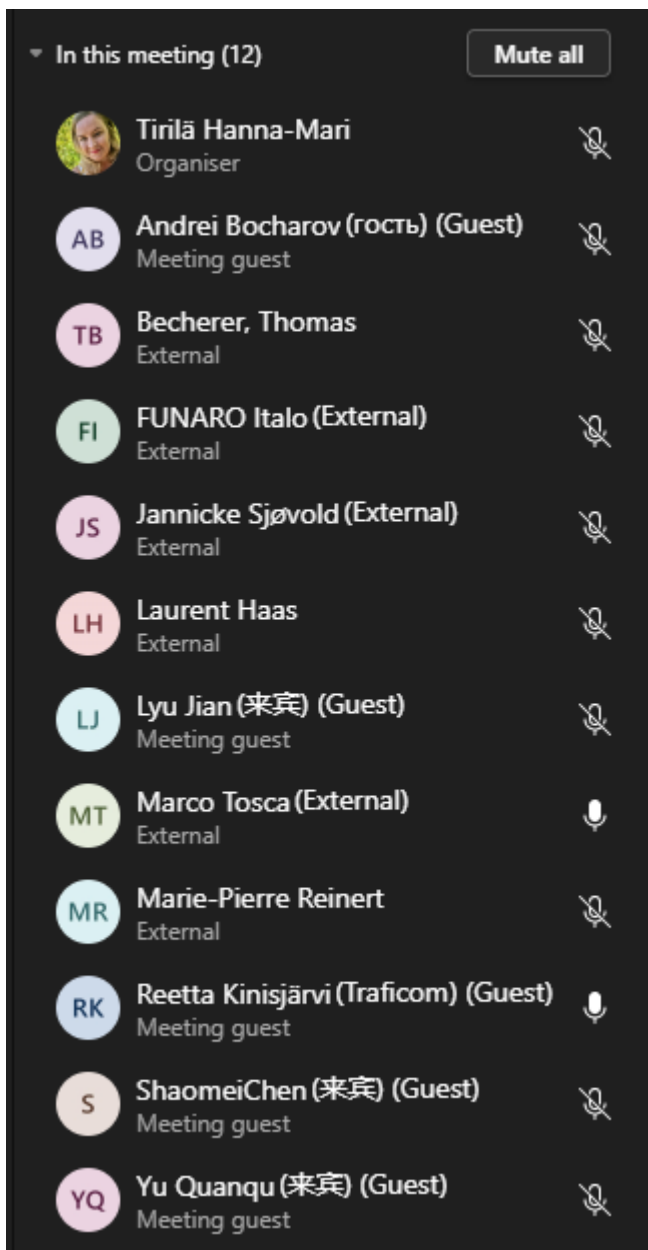

ETRTO member asked how the Task Force should proceed after the possible adoption of proposed supplement 1. The original task of the Task Force will be completed after its possible adoption. However, further harmonized requirements in UNECE related to studded tyres might be welcomed.

- It was agreed that ETRTO and authorities participating in Task Force, will discuss the point internally and give their comment before the draft Status Report will be submitted.

The Task Force agreed that there is no need for further meeting since next steps are clear and Working Document ready to be submitted. However, a time slot was reserved at 30th May, 2022 9-10 CET and it will be canceled in advance in case it is not needed.
