

### Transport to and from Trondheim Airport:

Please take the Airport bus (Værnes-expressen), as this is much cheaper than any taxi (can cost you around NOK 700!). The bus stops rather close to most hotels. Ask the driver which is the closest to your hotel.

Please buy the ticket on the machine in the arrival hall or online. This is cheaper than buying on board of the bus. Example: On board: NOK 200, Online/machine: 189 NOK.

The bus leaves the airport every 20 minutes. For example, 1705-1725-1745 etc.

Note that there is also a train station at the airport, with a possibility to take the train to the main railway station in Trondheim. Then, either taxi or walk to some hotels which are in walking distance.

Trains are not so frequent as the bus, but somewhat cheaper.

### ACCOMODATION:

If you want to stay only a few minutes' walk from SINTEF office and meeting location; the obvious choice is Scandic Lerkendal: Prices should be from around 100 EUR including breakfast.

However, as you see from the map, this hotel is a little outside the central area of the city, so visiting restaurants and sightseeing requires to take a bus to the city centre (or walk for about 30 minutes..)

Other hotels are:

**Raddison Blu Royal Garden hotel** (close to the centre and the old town Bakklandet)

**Scandic Bakklandet** (on the other side of the river from Royal Garden and even closer to Bakklandet).

**Clarion Hotel Trondheim**. Designer hotel, close to the waterfront and short distance from the main railway station. (Excellent view of the town from the rooftop garden!)

**Scandic Nidelven**. This is very close to all restaurants at Solsiden and to Bakklandet. This hotel has won the title of the best breakfast in Norway for several years. Highly recommended.

**Thon Hotel Trondheim**: Located just a few meters from the centre of the town and just next to the bus terminal for the bus going up to SINTEF.

Finally, if you really want to stay in our newly renovated luxury hotel, then the obvious choice is **Britannia Hotel**: <https://britannia.no/en>

This hotel is on the list of most prestigious hotels in the world and has a restaurant who won their first Michelin star last year. Even if you do not stay in this hotel, it is worth having a look inside.

You will find prices and availability for all hotels on Booking.com or Hotels.com or by going directly to the home page of the hotels (in some cases cheaper than using the above).

Except for the Britannia Hotel, the price for a room (always including a big breakfast buffet) should be in the area 100-180 EUR per night.
