- 12.30 Closure of the meeting

Agenda:

1. Welcome and introduction

The Chair will welcome the group and will explain the meeting objectives.

2. Adoption of the agenda

Document: VRU-Proxi-24-01 (Chair)

3. Adoption of the report of the 23rd VRU-Proxi session (online meeting)

Document: VRU-Proxi-23-04 (Chair)

4. Moving-Off Information System (R159)

Document: [GRSG-123-32_0](#)

As requested by the Chair in VRU-Proxi-23 the experts shall give their view on GRSG-132-32 before submitting it as Working Document to the next session of GRSG in October 2022.

5. Reversing Motion (R158)

Document: [GRSG-123-31](#)

On request of GRSG the group shall continue the discussion on the issue of the “temporary obstruction of the monitor view”.

A proposal from France to improve the system with specifying an additional warning provided by a detection system may be discussed in this meeting.

6. Direct Vision

6.1. Continuation of discussion on proposals for amendments from Germany and Spain

Documents: [GRSG-123-08 \(Germany\)](#)
[GRSG-123-25 \(Spain\)](#)
[GRSG-123-26 \(Spain\)](#)

The group may continue the discussion about the proposals for amendments to the Direct Vision regulation submitted by from Germany and Spain to GRSG 123.

In relation to the document from Germany the expert from Germany may submit additional information to the proposal and may present the aim for discussion in the group.

In relation to the documents from Spain the experts may report the feedback from their Technical Services on their assessment if a revision of the specific sentence is needed to improve the interpretation.

6.2. Direct Vision Regulation Phase 2

Document:

The Taskforce Direct Vision may present a status report to the group regarding the following subjects for the Direct Vision Regulation Phase 2:

- Alternative testing method for innovative vehicle designs
- Vehicles with competing objectives

Furthermore, any proposals submitted by the experts may be discussed by the group.

7. Blind Spot Information System (R151)

Document:

The group may discuss any proposal submitted by the experts regarding the Blind Spot Information System UN Regulation No. 151.

8. Frontal and Lateral Driver's Awareness M1/N1

Document:

The group may discuss any proposal submitted by the experts regarding the newly adopted regulation for Frontal and Lateral Driver's Awareness for M1/N1 category of vehicles.

9. Component approval

The group may discuss if experts were identified to make this step forward. The expert from the European Commission will clarify the timeline to be considered for this action.

10. Next meeting

25th meeting: [meeting dates TBD, meeting location TBD]

11. Any Other Item
