

**Proposal to amend the draft FRAV interim submission to GRVA/WP.29**

Modifications to the existing text are marked in **bold** for new or ~~striketrough~~ for deleted characters.

- 1.6.3. Driving automation systems that require human ~~support~~ **intervention** to ~~fulfil~~ **perform** aspects of the DDT fall below the level of an ADS.

Justification

Below L3, the human needs to perform, not just support, aspects of the DDT.
