

# 41<sup>st</sup> Session Status Review and Session Orientation

---

Web Conference

15 June 2023

# Adoption of the agenda

Agenda item		Documentation
1. Adoption of the agenda	13:00-13:10	FRAV-41-01
2. FRAV status review	13:10-13:20	FRAV-41-03
2.1. FRAV guidelines document		
2.2. FRAV/VMAD integration activity		
3. User safety provisions	13:20-14:40	FRAV-41-04
4. FRAV session planning	16:50-17:00	

Main goal to consider User safety provisions towards enabling consensus on complete section during next session in Mountain View.

- **Two areas of work remaining**
  - Finalisation of the FRAV guidelines document
    - Anticipated delivery to September GRVA
  - Integration of FRAV and VMAD documents
    - Due June 2024 WP.29 per AV Framework Document
- **Current FRAV mandate ends with approval of joint guidelines**
  - Could end with GRVA approval during January 2024 session
  - Definitively ends with WP.29 approval during June 2024 session

- **FRAV submitted its draft informal document to GRVA (GRVA-16-29/Rev.1).**
  - The draft contained a placeholder for the user safety provisions.
  - The draft contains some provisions in brackets.
  - GRVA sent to June WP.29 as informal document (WP.29-190-xx)
- **FRAV status report overviewing work and expectations (GRVA-16-30).**
  - Anticipated submission of complete guidelines document to GRVA in September.
- **FRAV schedule**
  - 17-19 July in Mountain View
    - (possibly with ADS vehicle demonstration on 20 July)
  - 12-14 September tentatively in the Netherlands
    - GRVA session 25-29 September

- FRAV and VMAD have launched work on the joint submission per the June WP.29 deliverable under the AV Framework Document
  - Consolidation of the FRAV and VMAD documents
  - Established an “Integration Group” that established three task groups
    - Definitions, Structure, and requirements/methods matrix
  - Integration Group schedule
    - 26/27 June in Geneva (directly followed by VMAD plenary session)
    - Web conference end July
    - Web conference end August
    - Web conference end September
    - Web conference mid-October
    - Physical meeting November/December (with FRAV/VMAD session(s))
- Procedural deadline for formal submission to GRVA 12 weeks prior to January session (i.e., early November)
