Provisional agenda

1. Adoption of the Agenda

The Informal Working Group (IWG) on Intelligent Transport Systems (ITS) will adopt the agenda for the sixth session.

Documentation: *Working paper ITS-06-01*

2. Revised Publication on Intelligent Transport Systems

As reported at the 187th session of the World Forum for Harmonization of Vehicle Regulations (WP.29) the IWG on ITS already discussed ways to materialize the outcomes of its activities by e.g. updating the UNECE ITS publication with support by the IWG (ECE/TRANS/WP.29/1166, para. 50).

The IWG on ITS may wish to be informed about the status of the revised publication on ITS. It may invite stakeholders to comment the document and may wish to discuss the next steps.

3. UNECE Road Map on Intelligent Transport Systems

The IWG on ITS may wish to discuss the post 2025 situation i.e. after the period 2021–2025 of the current UNECE Road Map on Intelligent Transport Systems. (ECE/TRANS/2021/15).

Documentation: (ECE/TRANS/2021/15)

4. Activities on Vehicular Communication

The IWG on ITS may wish to be informed of the progress made by the Task Force on Vehicular Communication (TF on VC), including on electric vehicle charging as per para. 38 of the session report of WP.29 in March 2023, ECE/TRANS/WP.29/1189) and discuss potential outreach activities, if necessary.

5. Any other business

The IWG may wish to consider any other item or proposal, if any.

6. Closure

Note: the IWG session will be followed by the 2nd session of the TF on VC.
