

Notes for Following Steps

16th June 2023

1st session of SG1(A-LCA IWG leading team and SG leaders) meeting

The leading team of A-LCA IWG

Schedule:

Assignments for SGs until in person meeting in October:

Time slots for SGs in in-person meeting in October will be reserved on the agenda. SG leaders will be requested to report about own progresses.

Concerning “leveling concept”

"Initial target level" will be inquired in the in-person meeting. So the SG leaders should consider availabilities of necessary data subjects (OEM/Suppliers or database of secondary data) in your area then set an initial target level.

Assignments for SGs until in person meeting in October:

	Definition of levels & Initial target level	Proposed schedule associated with levels	Items to be determined as "Overarching Aspects"
Material (SG2)			
Parts production (SG3)			
Vehicle production (SG3)			
Use (SG4)			
End of life (SG5)			
Fuel/Energy Cycle (SG6)
