

Draft agenda

3rd Workshop of the informal working group on

Equitable Occupant Protection, EqOP

Date: 14 November 2023 (whole day, in-person).

Place: BMW FIZ (Knorrstr. 147, 80788 Munich, Germany).

Agenda

Start at 9:30 CET

1. Welcome words by the chair
2. Introduction to the workshop by the co-chair
3. Roll call and introductions. What can you contribute to the workshop?
4. Workshop (please come prepared – let us know if you can present some slides on one or several of the topics)

Joint discussion / impulse presentations

- a. What is the motivation for virtual testing?
- b. Which benefits of virtual testing can be used to overcome equity issues?
- c. In which areas can we find barriers for the introduction of virtual crash testing into regulations?
- d. What can we learn from other disciplines (e.g. aviation, medicine, emissions, autonomous vehicles, consumer information, ...)?

Lunch Break

Breakout sessions in smaller groups

- e. What are possible solutions to overcome the barriers?
 - f. How can we develop trust in virtual testing for regulation?
 - g. How could virtual testing fit in regulatory frameworks and processes for type approval?
 - h. What is needed as next steps to reach the goals in the ToR of EqOP when it comes to virtual crash testing?
5. Conclusions
 - a. Presentation to rest of the EqOP group
 - b. Report to GRSP (Dec. 2023)
