

OICA proposal for Annex 6, Paragraph 1.3

[Alternative method using ESA immunity to external sources according to Annex 9 does not require E-marking of the concerned ESA. The test report shall be prepared or approved by a laboratory accredited to ISO 17025 and recognized by the Approval Authority responsible for carrying out the tests and provided along with the information document shown in Annex 2B. The same test method (vehicle type approval in combination with ESA test report for Annex 9) shall be applied during conformity of production test or any applicable test method according to Annex 6.]
