

UNECE
Project Implementing principles on zero tolerance to corruption in PPP

Draft agenda

WebEx Call - Monday, 23 February 2015 at 15:00-16:30 (GMT+1)

1. Introduction
2. Progress report and work plan update
3. Final comments for the revised list of issues transmitted on December 19th.
4. Scope of corruption and how it impacts your business/government's activities
 - Proposal to draft a list of some typical borderline situations with queries with 3 to 4 possible answers each.
5. Prioritization on topics for future work
 - Corrupt practices not really sanctioned efficiently.
6. Proposed PPP corruption Charter
 - A first “product” could be to formulate “principles” regulating priority issues specific to PPP preparation and procurement. Written in plain language, comprised of 10 to 20 core principles (3 to 5 lines maximum each), eventually supplemented by explanatory notes.
7. Allocation of tasks among team members: by group of priority topics or any other way.
8. Possible events to publicize the work of the team
9. Planning next calls/meetings
10. Any other business
