Dear RESS Experts,

During the 55. Session GRSP decided that a further meeting of the Informal Working Group RESS is necessary to clarify still open topics.

The meeting will take place at the OICA facilities at 4 rue de Berri, Paris on 26<sup>th</sup> and 27<sup>th</sup> August 2014.

We will start at 13:00 on August 26<sup>th</sup> and end on 27<sup>th</sup> August at 15:00.

The topics which have to be discussed and finalized by the RESS experts are listed in the informal document GRSP-55-25r1 (submitted by the GRSP chair) which incorporates GRSP-55-07 (submitted by IMMA) and GRSP-55-22 (submitted by Japan). In addition we resume the discussion about the vibration test based on data provided by the industry (ACEM or IMMA).

To be able to organize the meeting it is necessary to know who will attend the meeting. Therefore please inform the RESS secretary ([thomas.goldbach@de.opel.com](mailto:thomas.goldbach@de.opel.com)) when you are planning to attend.

An agenda will follow as soon as possible.

Best regards

Gerd Kellermann

(Chairman of RESS)
