

# India Proposal for OBD I

Proposal for phased implementation of OBD I considering the current very large volume and field service conditions in combination with the proposed emission roadmap

8<sup>th</sup> Session of EPPR  
13<sup>th</sup> ó 15<sup>th</sup> October meeting  
Beijing, China

# India Proposal for OBD-I

OBD I	Emission related sensor and actuator electrical diagnostics (open/short)	Malfunction indicator	Fuel System Monitoring	Sensor Rationality Check	Emission threshold	Simple RMI	Full RMI	Torque reduction
Level A	○	○						
Level B	○	○	○					
Level C	○	○		○	○	○		
Level D	○	○		○	○		○	○

**Thank you**
