## **Provisional agenda**

### **1. Adoption of the Agenda**

The Informal Working Group (IWG) on Intelligent Transport Systems (ITS) will adopt the agenda for the eighth session. It will recall the status report of the seventh session presented at the March 2024 session of WP.29.

**Documentation:** *Working paper ITS-08-01 and informal document WP.29-192-12*

### **2. UNECE Road Map on Intelligent Transport Systems**

The IWG on ITS may wish to resume consideration on the post 2025 situation i.e. after the period 2021–2025 of the current UNECE Road Map on Intelligent Transport Systems.

The IWG on ITS may wish to consider the progress made under the 2021–2025 UNECE Road Map on Intelligent Transport Systems and receive input on whether amendments (reflecting new findings) or new items would need to be inserted in a new version of the document.

**Documentation:** (ECE/TRANS/2021/15)

### **3. Activities on Vehicular Communication**

The IWG on ITS may wish to be informed of the progress made by the Task Force on Vehicular Communication (TF on VC), if necessary.

### **4. Any other business**

The IWG may wish to consider any other item or proposal, if any.
