

Regulation 14

2.17. "ISOFIX position" means a position which allows the installation of:

- (a) Either an universal ISOFIX forward facing child restraint system as defined in Regulation No. 44,
- (b) Or a semi-universal ISOFIX forward facing child restraint system as defined in Regulation No. 44,
- (c) Or a semi-universal ISOFIX rearward facing child restraint system as defined in Regulation No. 44,
- (d) Or a semi-universal ISOFIX lateral facing position child restraint system as defined in Regulation No. 44,
- (e) Or a specific vehicle ISOFIX child restraint system as defined in Regulation No. 44.
- (f) Or an i-Size child restraint system as defined in Regulation No. 129,
- (g) Or a specific vehicle ISOFIX child restraint system as defined in Regulation No. 129.

Regulation 16

2.31. "ISOFIX position" means a system which allows installing:

- (a) Either a universal ISOFIX forward facing child restraint system as defined in Regulation No. 44,
- (b) Or a semi-universal ISOFIX forward facing child restraint system as defined in Regulation No. 44,
- (c) Or a semi-universal ISOFIX rearward facing child restraint system as defined in Regulation No. 44,
- (d) Or a semi-universal ISOFIX lateral facing position child restraint system as defined in Regulation No. 44,
- (e) Or a specific vehicle ISOFIX child restraint system as defined in Regulation No. 44,
- (f) Or an i-Size child restraint system as defined in Regulation No. 129,
- (g) Or a specific vehicle ISOFIX child restraint system as defined in Regulation No. 129.

Regulation 44

2.20.5. "ISOFIX position" means a system which allows to install:

- (a) Either an universal ISOFIX forward facing child restraint system as defined in this Regulation;
- (b) Or a semi-universal ISOFIX forward facing child restraint system as defined in this Regulation;
- (c) Or a semi-universal ISOFIX rearward facing child restraint system as defined in this Regulation;
- (d) Or a semi-universal ISOFIX lateral facing position child restraint system as defined in this Regulation;
- (e) Or a specific vehicle ISOFIX child restraint system as defined in this Regulation.

Regulation 129

2.51. "ISOFIX position" means a location which allows for the installation of either:

- (a) Universal ISOFIX Child Restraint System as defined in Regulation No. 44;
- or
- (b) A "Specific vehicle ISOFIX" Child Restraint System as defined in Regulation No. 44 or a "Specific vehicle ISOFIX" as defined in this Regulation; or
- (c) An i-Size Child Restraint System suitable for use in specific ISOFIX seating positions as defined by the vehicle manufacturer according to Regulation 16.
