

# Informal Working Group on Intelligent Transport Systems

## Ninth session

**Date:** Thursday 5 September 2024, 2.30<sup>1</sup> p.m. – 3.30 p.m. (CEST)  
**Contact:** Francois Guichard, [francois.guichard@un.org](mailto:francois.guichard@un.org)  
**Location:** Online meeting (only)  
**WebEx link:** <https://unece.webex.com/unece/j.php?MTID=m99da5064be058705da47e99401001f30>

## Provisional agenda

### 1. Adoption of the Agenda

The Informal Working Group (IWG) on Intelligent Transport Systems (ITS) will adopt the agenda for the ninth session.

**Documentation:** *Working paper ITS-09-01*

### 2. Review of the document prepared by the Task Force on Vehicular Communication

The IWG on ITS will be invited to consider the document prepared by the Task Force on Vehicular Communication, established by WP.29 during its 189th session in March 2023, see ECE/TRANS/WP.29/1171, paras. 26-27. If possible, the IWG will transmit the document for review by WP.29 at the November 2024 session.

**Documentation:** (forthcoming)

### 3. Artificial Intelligence in the context of WP.29 activities.

For further discussion at WP.29, the IWG on ITS will, if desired and necessary, gather members' view regarding potential activities within the WP.29 ecosystem related to Artificial Intelligence in automotive products and in the context of vehicle regulations.

### 4. Any other business

The IWG may wish to consider any other item or proposal, if any.

---

<sup>1</sup> Note: The IWG on ITS session will start after the closure of the [8th session of the Task Force on Vehicular Communication](#). The starting time of the IWG on ITS session may be adjusted at the last minute, depending on the needs of the Task Force on Vehicular Communication.
