PROPOSAL FOR DISCUSSION

(it's an engineers' drawing 😊)

Paragraph 4.9, Warning against non backrest use above 125 cm

It also needs a location definition:

Like used for the 15 months warning

In the case of non integral Enhanced Child Restraint Systems that can be for children with a stature below 125 cm, it shall have the following label permanently attached and visible to the person installing an Enhanced Child Restraint System in the vehicle:
