

**Major results and action items of the fifth meeting of Informal Group
on "ITS/Automated Driving"**

Agenda item	Major results and action item
3-1 Discussion on how to proceed with the joint working of WP.1 and WP.29 (ITS/AD-05-03)	Common observation 1: It was agreed that, to avoid redundancies in discussions between WP.1 and WP.29, members of the two working parties would participate in each other's discussion and strive to understand each other through sharing the latest information, etc. It was also pointed out that, in doing this, it is important to utilize the existing framework as well as to avoid repeating the same discussion.
3-2 Definition of Automated Driving Technology (ITS/AD-05-04, ITS/AD-05-05)	Japan and OICA made presentations on the definition of levels. Action item 1: Regarding Level 3 in OICA's presentation, it was confirmed that OICA would introduce the relevant use cases at the next ITS/AD meeting.
3-3 Provisional draft guidance by WP.29 to GRRF (ITS/AD-05-06)	Agreement 1: The IG-ITS/AD agreed to submit to WP.29, as a live document, the draft guidance to be shown to GRRF.
4. Other Business	Action item 2: It was reported that Germany would propose the draft general guidelines on eSecurity at the ITS/AD meeting to be held in November. Agreement 2: The GRSG Chairman requested guidance on EDRs; the IG-ITS/AD agreed to address this issue. The next ITS/AD meeting is scheduled to be held at UNOG (United Nations Office at Geneva) on 3 November 2015.
