

Dear TF EMC members,

As some of you requested, please find below a couple of options for your accommodation during next EMC meeting at Renault in Guyancourt, Paris area:

- **Option 1:** you stay in Paris city, at the hotel you prefer. In the morning, take the RER C5 to Versailles Rive Gauche. Once you are in Versailles Rive Gauche RER station, go the bus station (just in front of the RER station) and then take bus 39-12 to Technocentre / Gradient (~15 min). You can buy a bus ticket with the bus driver (~2 Euro).
- **Option 2:** you stay in Versailles, close to Versailles Rive Gauche station. Many hotels are available in that area, for instance [Ibis](#) (Ibis Versailles Chateau), [Mercure](#) (Mercure Versailles Chateau), [Pullmann](#) (Pullman Versailles Chateau), with several pricing options. In the morning, simply take bus 39-12 at Versailles Rive Gauche.
- **Option 3:** you stay close to Renault Technocentre at [Novotel](#) (Saint Quentin Golf National). In that case you can walk ~20 min to the building « le Gradient ». I know there is a shuttle bus from the Novotel to the Technocentre, but not sure it stops at “Le Gradient”, and according to the hotel reception desk, the shuttle stops at 15:30.
