

28th International Technical Conference on the Enhanced Safety of Vehicles

May 12-15, 2026 – Exhibition Place, Toronto, Canada

Exhibition and Packages Pamphlet

EVENT DETAILS

Join us in Toronto for four impactful days of presentations, exhibitions, technical sessions, live demonstrations, technical tours, and networking events.

WHY EXHIBIT?

The 28th International Technical Conference on the Enhanced Safety of Vehicles (ESV) is a premier global forum for advancing vehicle safety. As an exhibitor, you'll have the opportunity to:

- **Showcase and demonstrate** your latest safety technologies to roughly 1,000 vehicle safety experts, policymakers, and industry leaders
- **Contribute to global vehicle and road safety efforts** focused on reducing traffic fatalities and injuries
- **Build visibility and credibility** by aligning your brand with innovation, safety, and sustainable transportation
- **Connect and collaborate** with key decision-makers from government, academia, industry, and NGOs to explore partnerships and business opportunities
- **Gain insights and influence** by engaging in discussions on emerging trends, research, and regulatory developments shaping the future of vehicle safety

EXHIBITION HALL

The Exhibition Hall at Toronto's Exhibition Place will be the hub of ESV 2026—an interactive space for product showcases, live demonstrations, and meaningful engagement.

Important Dates:

- **Exhibit Dates:** May 12-15, 2026
- **Installation Date:** May 10-11, 2026
- **Dismantling Date:** May 15, 2026

Flexible exhibit booths and packages available for organizations of all sizes.
