

ADS-IWG, Interpretation and Guidance document for the UNR and GTR ADS Regulation

Annex 1 UNR ADS

Espedito Rusciano and Gouweleeuw Ramon

09-13 February 2026

Background information

During the drafting of the Annex1 of the UNR section, we have identified several topics for Interpretation Document:

- **Communication form:**
 - Cyber Security and Software updates:
 - Action: The ID will clarify that there is no need to amend the Communication Form every time that there is an extension of the CS or Software update approval
 - Safety Case reference:
 - Action: The ID will provide guidance and clarifications that changes do not necessary imply an extension
 - List of documents in the approval file deposited at the administration services:
 - Action: The ID will clarify that administrative service means the approval authority.

Background information

During the drafting of the Annex 1 - Appendix 1 of the UNR section, we have identified the following topics for Interpretation Document:

- **Information Document**
 - ADS description:
 - Action: The ID will provide clarification on concept such as functions and functional architecture
 - ADS feature(s) performance and limitations including a description of ODD:
 - Action: The ID will provide clarification on the level of details for ODD description
 - Safety case:
 - Action: Guidance on Confidentiality of the information is expected
