“Implementing the United Nations 2030 Agenda for Sustainable Development through effective, people-first Public-Private Partnerships”

Urban Rail Transit session

PPP Project Team Meeting on Urban Rail Transit Standard

**Wednesday, 10 May 2017 (17:00-18:30 HK time (GMT+8))
Room A, Wclhy Hall**

[The session will be conducted in Chinese with English interpretation]

Proposed Topics:

- What are the urban rail transit projects that can have transformational impacts on urban economies and social development?
- How should PPP urban rail transit projects be best organized in cities to reduce the reliance upon traditional urban traffic mode?
- How can urban rail transit projects improve health and welfare for communities and increase personal security?

Moderator:

- **Kaimeng Li:** Team Leader of the urban rail transit project

Presenters:

- **Wilson S.M. Shao:** General Manager of Beijing MTR Corporation Limited
- **Zhao Pengling:** President, Shenzhen Urban Rail Transit Association
- **Euan Low:** Infrastructure Advisory Services Director, Manager of Mott MacDonald Japan
- **Naresh Bana:** Executive Vice Chairman, Indo Sri Lanka Chamber of Commerce and Industry
- **Fan Fengye:** Chairman Assistant of China Metro Corporation Limited
