

INVITATION TO THE 22nd MEETING OF THE GRPE INFORMAL GROUP ON ELECTRIC VEHICLES AND THE ENVIRONMENT (EVE)

On invitation of the United States Environmental Protection Agency, the 22nd informal group meeting on Electric Vehicles and the Environment will take place in Ann Arbor, Michigan, USA:

- Meeting location: NVFEL Office Building, 2000 Traverwood Drive, Ann Arbor, Michigan, 48105 (for directions, see the map on page 2)
- Starting at 09:30 on April 10, 2017
- Ending at 17:30 on April 11, 2017

The objective of the 22nd EVE-IWG meeting will be to begin work on Part B of the EVE mandate which was approved by WP-29 in November 2016. . There will likely also be a tour of the EPA's National Vehicle and Fuel Emissions Laboratory (NVFEL) and a demonstration of the battery test facility.

During your attendance at the meeting, all participants are encouraged to give a presentation on their area of expertise relating to EVE topics of interest or standardization.

If you plan to attend the meeting, we would like to ask you to inform the EVE Secretary (andrew.gjallonardo@canada.ca) and EPA's primary contact for meeting organization (safoutin.mike@epa.gov) by March 15th, 2016. In your reply please note:

1. Planned attendance.
2. Visa status: Please indicate whether, based on your citizenship, you will require a personalized invitation letter from EPA to obtain a visa to enter the U.S. (more information at State Department link on page 3)
3. Presentation: If you will give a presentation at the meeting, please provide a brief description of the topic, where it should be included in the agenda, and how much time you require. Please note that the final time and duration will be determined based on the number of presentations brought forward. Ideally presentations should be sent one week prior to the meeting, but will be accepted later if needed.

A finalized agenda and documents for the meeting will be up-loaded to the informal group webpage prior to the meeting as they become available:
