

INVITATION TO THE 23rd MEETING OF THE GRPE INFORMAL GROUP ON ELECTRIC VEHICLES AND THE ENVIRONMENT (EVE)

On invitation of the leadership of the EVE IWG and the European Commission, the 23rd informal group meeting on Electric Vehicles and the Environment will take place in Geneva, Switzerland:

- Meeting location: Permanent Delegation of the European Union in Geneva
66 Rue du Grand Pré
Geneva
5th floor (for directions, see the map on page 2)
- Starting at 09:30 on June 7th, 2017
- Ending at 12:30 on June 7th, 2017
- An EU contact should be available to meet us at the door, but otherwise delegates are asked to request Ms. Jennifer Baussart when they arrive

The meeting is being held at the EU facilities due to a shortage of available meeting space at the Palais des Nations during a holiday week. As a result, participants should note that the Informal Working Group on Environmental and Propulsion Performance Requirements of L-category vehicles (EPPR) will be meeting at the same time as the EVE IWG. It will not be possible for participants to attend both the EVE meeting and the morning session of EPPR.

The objective of the 23rd EVE-IWG meeting will be to continue work on Part B of the EVE mandate which was approved by WP-29 in November 2016.

During your attendance at the meeting, all participants are encouraged to give a presentation on their area of expertise relating to EVE topics of interest or standardization.

If you plan to attend the meeting, we would like to ask you to inform the EVE Secretary (andrew.giallonardo@canada.ca) by May 29th, 2017. In your reply please note:

1. Planned attendance.
2. Presentation: If you will give a presentation at the meeting, please provide a brief description of the topic and how much time you require. Please note that the final time and duration will be determined based on the number of presentations brought forward. Ideally presentations should be sent one week prior to the meeting, but will be accepted later if needed.

An agenda (+ revisions) and documents for the meeting will be up-loaded to the informal group webpage prior to the meeting as they become available:
