

Amend 5.6.4.1.1. to read:

A vehicle equipped with an ACSF of Category [C1] shall also be equipped with an ACSF of Category B1 complying with the requirements of this Regulation **and in addition aiming to be in the center of the lane.**

Justification:

This will increase the possibility that the lateral movement before the Lane change maneuver starts near the center of the lane and indicate the intention to change lane in a way that is detectable for the driver.
