The assumption is that most of you will arrive by air to Arlanda International Airport outside of Stockholm. Most international flights arrive at Terminal 5. From Arlanda Airport you can either go by train to Borlänge or take a rental car (distance Arlanda –Borlänge approx: 220 km). The train station is located in “Sky City” which is located close to Terminal 5. The trains depart from Arlanda Central Station (Arlanda C). Here, the SJ railway company has a travel office where you can find information about train times. Train tickets can be bought on SJs web page.
