Drawing Review (surface level) Update

6th IG GTR9-PH2 Meeting
19-20/March/2013
Japan Automobile Standards Internationalization Center (JASIC)
Inconsistency with Figure in Draft Phase-2 Amendment Proposal

Figure 14 Flexible lower legform impactor; flesh dimensions (GTR9-5-29, p18)
The dimensions in the red frames are unnecessary because the centerlines are shown
The radius shown in the red arrow is not specified in the drawing.
