Transposition of GTR 3: state of play at the end of 2007
(AGREEMENT CONCERNING THE ESTABLISHING OF GLOBAL TECHNICAL
REGULATIONS FOR WHEELED VEHICLES, EQUIPMENT AND PARTS WHICH CAN BE
FITTED AND/OR BE USED ON WHEELED VEHICLES- " 1998 AGREEMENT")

At the 140th session of WP.29, in November 2006, an amendment to UNECE Regulation 78 was agreed (see documents ECE/TRANS/WP.29/2006/133 and 133 Amend.1) which ensures that this regulation encompasses all the requirements of Global Technical Regulation on motorcycle brake systems (GTR 3).

This new amendment to Regulation 78 is in force since 18 June 2007 and is automatically accepted as an alternative to the EU Directive 93/14/EEC under the type-approval system. Thus, the European Community has transposed the GTR.

Philippe Jean
Head of Unit
