Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs  
Industrial Transformation and Advanced Value Chains  
**Automotive and Mobility Industries**

Brussels, 13/03/2019

Dear participants to the RDE-informal working group,

We would like to invite you to the fourth meeting of the RDE-IWG, which will take place on 1 and 2 April 2019, in the JASIC offices in Tokyo Japan.

If in doubt on whether you have signed up for the meeting please do not hesitate to contact me. Please note that we will have a problem to accept people that have not signed up in the website circulated earlier, due to space limitations of the room.

A web conference will be available during the meeting at the following link: <https://ecwacs.webex.com/meet/pdilara>. Please make sure that you declare a name and affiliation when you enter the room, so the participation can be monitored.

Please note that all meeting material, including agenda are uploaded in the wiki page of the group in: <https://wiki.unece.org/pages/viewpage.action?pageId=63308214>. We advise you to check the site for updates, in order to limit the use of emails in the future.

I would like to ask you to please make use of the FTP server that has been set up by the JRC for uploading any data that you wish to share, as was discussed during the last meeting in Geneva. We would also welcome your presentations on the data you have hopefully analysed by now, in order to proceed with any necessary changes to the draft, during this meeting.

Finally, I would like to let you know that the fifth meeting will take place in the morning of 22 May, during the GRPE week in Geneva. Please arrange appropriately for your participation.

Best regards,

Panagiota Dilara  
Chair RDE IWG
