

**Report of the 2nd WEBEX 2019 Meeting of the
Informal Working Group on Panoramic Sunroof Glazing**

Location: WEBEX
Date: Wednesday, 8th May 2019, 12:30 – 13:10 CEST
Chair: Mr. Eom Sungbok (Republic of Korea), Mr. Thomas Fuhrmann (Germany)
Secretary: Mr. Dr. Stephan Müller von Kralik (Germany / CLEPA)

10 people attended at the meeting (hereof all via Audio Conference).

Minutes of WEBEX No.1 as well as Agenda for WEBEX meetings May – July were released.

1. Review of CPD data

Presentation of updated KATRI vehicle data and CLEPA data to IWG and 1st common review.

2. Decision that data collection can be closed

No decision was taken that data collection can be closed. Therefor efforts to gain more data will continue until next meeting.

3. Start discussion on data content: which data type can be used as guidance

OICA: start of internal discussions now with data available

KATRI: internal and external discussion with industry will start now

Germany: Open for discussion from Co-Chair side

GFE: also start of internal discussions with members

Secretary: Remark to all members that in the early stage (03-2016) of IWG PSG discussions already absolute values as well as %-values were discussed intensively, but no common agreement was found. Therefor for absolute values it might also be difficult now to find a common agreement between all members of IWG PSG.

4. Review inputs and discuss for update of recommendation

GFE presented their update / amendment proposal to proposal draft of 11th IWG PSG meeting in Geneva. Due to being presented 1st time no immediate reflections from attending members.

5. Proposed agenda/topics for next WEBEX meeting in 2019

- Nothing additional

6. Any other business
