

## Global Real Driving Emissions (RDE) Meeting | Vienna | 08.-10. July 2019

Hosted by

**Federal Ministry for Transport, Innovation and Technology, Austria**

On invitation of the Federal Ministry for Transport, Innovation and Technology in Austria, the 6<sup>th</sup> informal group meeting on Global Real Driving Emissions will take place in Vienna, Austria. The 2-day meeting will be located at the ministry. The previous workshop will be held in the brand new laboratory of the Institute for Powertrains and Automotive Technology, Vienna University of Technology.

### Meeting location (09. & 10. July 2019):

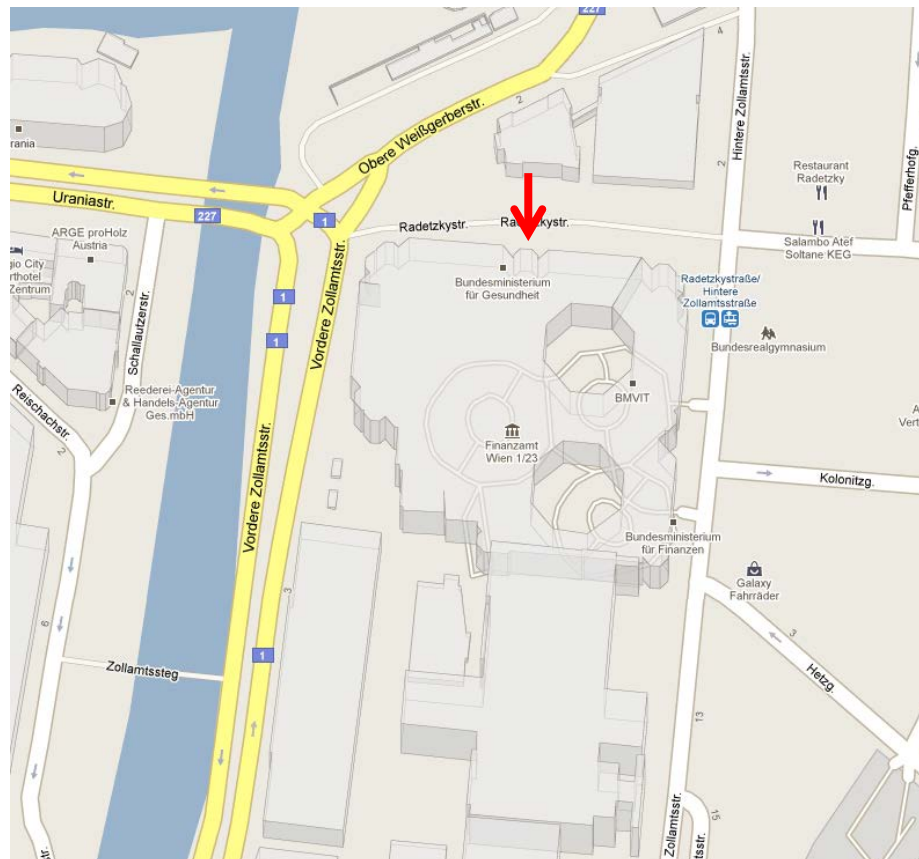

Ministry for Transport, Innovation and Technology

Radetzkystraße 2

1030 Vienna, Austria

Room number EA08 (ground floor)

Agenda by chair

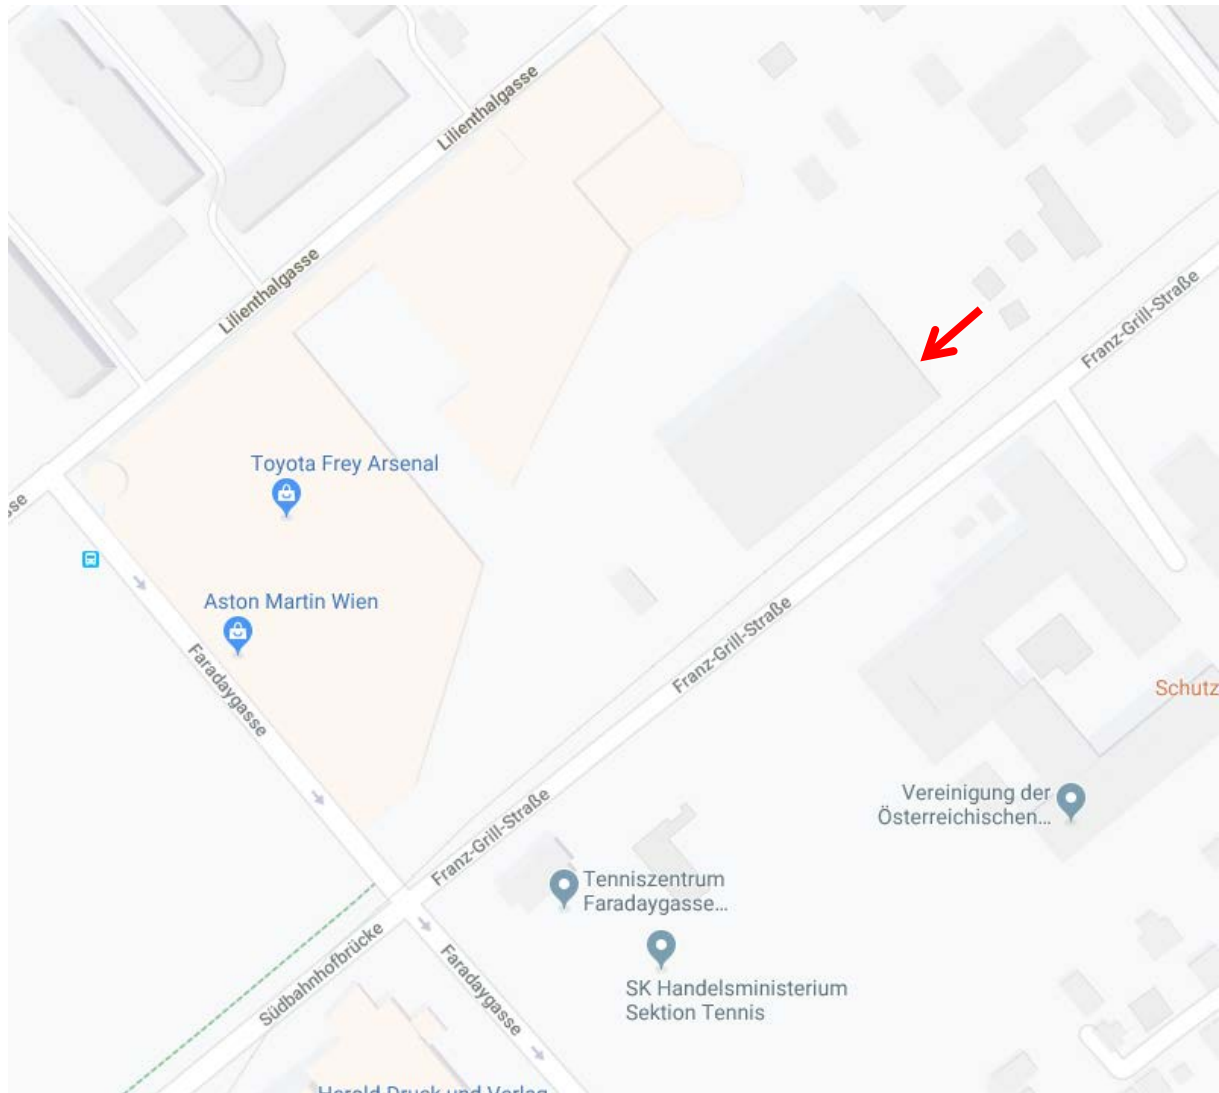

**Workshop location (08. July 2019 – 13:00-17:00)**

Laboratory of the Institute for Powertrains and  
Automotive Technology, Vienna University of Technology  
Franz-Grill-Straße 8  
1030 Vienna, Austria  
Meeting point: Main entrance

**Registration required until 19.06.2019. At least 15 participants required. Agenda below!**

**Transport: airport- Vienna -airport:**

To book a airport-taxi with a fixed price of € 36.- (one way; from the airport to anywhere in Vienna or back to the airport, max. 4 pers.) please call before the flight +43-1-60160. The agent will ask for your name, arrival date/time, flight number and airline. The taxi driver will wait at the arrival hall at the yellow “60160-desk”.

Or you use the train “CAT” directly for the airport to the train station “Wien-Mitte”. The train station “Wien-Mitte” is directly connected to the subway station “Landstraße”. At “Landstraße” the Subway lines (U-Bahn) U3 and U4 are available.
