

## Economic and Social Council

Distr.: General  
XX-December-XX

Original: English

---

### Economic Commission for Europe

Inland Transport Committee

World Forum for Harmonization of Vehicle Regulations

Working Party on Passive Safety

Sixty-six session

Geneva, 10-13 December 2019

Item XX of the provisional agenda

UN Regulation No. XXX (Child Restraint Systems for Buses and Coaches)

### First progress report

**Submitted by the expert from the European Association of  
Automotive Suppliers\***

The progress report reproduced below was prepared by the informal working group (IWG) on Child Restraint System for Buses and Coaches, to describe the process of development of the Regulation.

---

\* In accordance with the programme of work of the Inland Transport Committee for 2018–2019 (ECE/TRANS/274, para. 123 and ECE/TRANS/2018/21/Add.1, Cluster 3.1), the World Forum will develop, harmonize and update UN regulations to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

# **First progress report of the informal group on Safer transport of children in buses and coaches.**

## **I. Introduction**

1. GRSP agreed to set up an IWG on safer transport of children when traveling in buses and coaches.
2. GRSP agreed to seek the consent of WP.29 to mandate a new IWG to solve the situation of the securing the children when traveling in buses and coaches.

## **II. Objective of the Informal Group**

3. The objective of the group is to develop a new UN Regulation to ensure safer transport of children when traveling in buses and coaches.

## **III. Background**

4. GRSP acknowledged the importance of this issue. However, GRSP expressed the wish that the informal group on child restraints addresses this subject once its work on ECRS (UN R-129) has been completed.
5. After the finalization of the UN R-129, some contracting parties showed their concern about this issue.
6. In the 65<sup>th</sup> session of GRSP the request for the creation of a new IWG to address this issue was submitted to the GRSP.
7. GRSP agreed to ask to the WP.29 the authorization to create this new IWG.
8. WP.29 agreed to create the new IWG on Safer transport of children in buses and coaches.
9. The first meeting was held in 09<sup>th</sup> July in Madrid where the Terms of Reference shown in Annex 1 were established.

## Annex 1-Terms of Reference

### A. Introduction

1. GRSP agreed to set up an IWG on Safer transport of children in buses and coaches.
2. GRSP agreed to seek the consent of WP.29 to mandate a new IWG to solve the situation of the securing the children when traveling in buses and coaches.

### B. Objective of the informal working group.

3. The main objective of the IWG is to create a new UN Regulation to improve the safety of the children when traveling in buses and coaches.
4. To ensure the good retention of the children in the seat when traveling in buses and coaches in order to ensure the same level of protection as the adults and avoid the ejection of the children from their seats.
5. The new UN Regulation will be focused on children from 40 – 150 cm, taking into account different characteristics of M2 and M3 categories.

### C. Work plan and time schedule

|               |   |

## D. RULES OF PROCEDURE

6. The IWG is a sub-group of Working Party on Passive Safety (GRSP) and is open to all participants of GRSP and GRSG including contracting parties and non-governmental organizations to the 1958 and 1998 agreements.
7. The IWG will report to the GRSP, GRSG and WP.29.
8. The IWG will be lead by Spain and supported by CLEPA for the secretary role.
9. The official language of the IWG will be English.
10. All documents must be submitted to the Secretary of the group in a suitable electronic format at least (10) working days before the meeting. The documents will be posted on the UN website at least (5) working days in advance of the meetings.
11. The Secretary of the IWG will distribute a draft meeting minutes to all members within (15) working days after the meeting with the view to be formally adopted at the next meeting.
12. Decisions and proposals of the group shall be reached by consensus. When consensus cannot be reached, the chairs of the group may present the different points of view and seek guidance from GRSP and GRSG, as appropriate.
13. Meetings shall be held in agreement with the majority of the participants based on the joint proposal by the chairs of the IWG. Meetings may be in person or virtual using web-based technology.
14. A provisional agenda shall be drawn up by the IWG leadership. The first item of the provisional agenda for each session shall be the adoption of the agenda. The second item shall be the minutes of the previous session followed by technical discussions and miscellaneous items.
