

## ➤ Overlay

### 16.1.1.3. Overlay requirements within the ~~minimum~~ required field of vision

Overlays shall display only rearward driving-related visual information or safety-related information. Overlays for other purposes of information **in the ~~minimum~~ required field of vision are not allowed**. ~~shall be considered as an obstruction regardless of their transparency.~~

**Manually activated overlays are allowed, only when the driver needs to activate a rearward driving-related function or safety-related function (e.g. cleaning of the lens or activation of trailer hitch view) or requires specific information in such an environment. The driver may have an option to close the overlay.**
