The head of the UN World Health Organization (WHO) has declared "with great hope" an end to COVID-19 as a public health emergency, stressing that it does not mean the disease is no longer a global threat.

The following map illustrates the countries for which the Observatory includes some information.

The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Disclaimer
This page has been implemented by the United Nations Economic Commission for Europe and contains only governmental/official source information as well as remarks from the Private Sector.

For any requirements please send an email to observatory-covid@un.org or konstantinos.alexopoulos@un.org

This space presents information on travel restrictions and border shutdowns by country.
