27.03.2020

According to information from the Slovak Government Authorities, Slovakia is currently closing its borders with the Czech Republic, Hungary, Poland and Austria, to freight vehicles over 7.5 tonnes, due to bottlenecks and resulting traffic jams which have accumulated since this morning at the Hungarian borders.

The only exempted transports are those unloading in Slovakia and those allowed on the dedicated green lanes https://ec.europa.eu/transport/sites/transport/files/green-lanes.pdf. The list of goods allowed to use the green lanes are post, perishable goods, fuel supply for gas stations, foodstuff, transport of live animals, and medical and biological products.

Exiting Slovakia is possible.

The duration is not specified.

Slovakia has agreed on a temporary and limited relaxation of the enforcement of driving and rest times for drivers involved in domestic and international delivery of goods. This relaxation is granted pursuant to Article 14(2) of Regulation (EC) No 561/2006. This temporary relaxation applies from 19 March 2020 and will run until 17 April 2020, included.

Slovakia has made it clear that driver and road safety must not be compromised. Drivers should not be expected to drive whilst tired - employers remain responsible for the health and safety of their employees and other road users.

For the above mentioned category of drivers, the following provisions will be temporarily relaxed as follows:

- Derogation to Article 6(1): replacement of the maximum daily driving limit of 9 hours with one of 11 hours.
- Derogation to Article 6(2): replacement of the maximum weekly driving limit of 56 hours with one of 60 hours.
- Derogation to Article 6(3): replacement of the maximum fortnightly driving limit of 90 hours with one of 96 hours.
- Derogation to Article 7: replacement of the minimum daily breaks requirements by imposing a break of 45 minutes after 5 and a half hours.
- Derogation to Article 8(1): Reduction of the daily rest requirements from 11 to 9 hours.
