Morocco

Remarks from the International Road Transport Union

The country has taken strict measures to limit the spread of Coronavirus (COVID-19). International passenger movement is under “full ban” (air, road and ferry), with not transport operations handled between Morocco and the following countries (except special operations to let passengers get back to their country of origin): Italy, Spain, France, Austria, Denmark, Greece, Switzerland, Sweden, Norway, Turkey, Lebanon, Egypt, Bahrein, UAE, Oman, Jordania, Tunisia, Senegal, Mauritania, Niger, Mali, Tchad, Canada and Brazil.

No limit to freight transport have been reported.

National passenger transport operations are maintained.
