Customs Clearance Support Centers for COVID-19 at major Customs offices across the country
Operates a 24/7 customs clearance system for speedy clearance of sanitary products, medical devices/equipment and raw materials imports
Temporarily designated support teams for emergency clearance of raw materials at several Customs offices (including Incheon International Airport, Incheon Port and Pyeongtaek Customs) in preparation for a temporary surge in the amount of raw materials imported
To address delays at airports and seaports, allowing cargo to be transported directly to manufacturing plants without entry into the terminal after arrival in order to solve the problems of delayed unloading and shortage of storage space at airports and seaports driven by the concentration of imports.
