**Importation and Customs**

**Customs, land, sea** (updated 2 June 2020)

**At Sea ports:**
According to an update from Wilhelmsen on 25 May 2020, on vessels with a previous port call at 'COVID-19 high risk countries':

- Checks are implemented by sanitary authorities;
- All visitors from the shore boarding vessels must use disposable masks, gloves and shoes covers while on board;
- Removal of ship waste will only be possible after preliminary disinfection treatment;
- Crew change and shore leave are not permitted;
- All visitors are prohibited from boarding vessels, except for port authorities, agent, and stevedores, until 22 June 2020.

According to an update from Agility:

- Port operations are operating as normally, 100% depot capacity is resumed;
- Container availability is normal, there are no shortages.

**Land ports:**
According to an update from Agility:

- Terminals are operating normally for cargo, only passenger flights are impacted;
- Freighters are flying as normal.

**Remarks from the International Road Transport Union**

28.08.2020

Due to an increased number of COVID-19 infections, quarantine in Ukraine has been prolonged until 1 November 2020. Restrictive measures will be in force until 31 October 2020.

As a COVID-19 containment measure, Ukraine will close its borders to non-nationals from 00:00 on 29 August 2020 until 00:00 on 28 September. The following exceptions will apply:

- Drivers or crew members of vehicles.
- Persons transiting through Ukraine with a ticket confirming that they will leave the country within 24 hours.
- Persons entering Ukraine to study.
- Persons serving in the armed forces of Ukraine.
- Persons permanently residing in Ukraine with the appropriate permit.
- Refugees.
- Diplomats, members of their families and representatives of international missions.
- Instructors from NATO member states working with the armed forces of Ukraine.
- Cultural figures and athletes attending official events and their staff.
- Persons transporting stem cells.
