## Article 6.02 - Small craft: General rules

French | Russian

Regional or national deviation from Article is possible under the provisions of Chapter 9

- 1. For the purposes of this chapter, the term "small craft" means small craft navigating alone or convoys consisting only of small craft.
- 2. Small craft in relation to vessels other than small craft shall leave them enough room to hold their course and to manoeuvre. They may not require that such vessels give them way.
