

Workshop Benchmarking of land administration systems and implementation of Land Governance Assessment Frameworks (LGAF) in the UNECE region - 27 - 28 November 2014 - Baku, Azerbaijan

This high-level workshop will serve as a platform for the World Bank in Azerbaijan to present its land registration project. The workshop will discuss approaches and best practices in land administration as well as the implementation of the Land Governance Assessment Framework (LGAF) in the UNECE region.
