

Ninth Session of the Working Party on Land Administration

26 - 27 February 2015

Geneva, Switzerland

10 am - Palais de Nations, Room XII

The Ninth Session of the Working Party on Land Administration (WPLA): Land and Sustainable Development Goals will provide an international platform for a high-level exchange on issues related to land administration and management. At the Session on 26-27 February, representatives of the UNECE member States will review the work of the WPLA in 2014 and 2015 and discuss how the UNECE can continue to work to improve land management and land administration practices throughout its region. Also, the event will incorporate the needs and priorities of land administration in the UNECE region in support of the post-2015 development agenda and the proposed sustainable development goals.

The Session will have simultaneous interpretation in English, French and Russian.
