

Article 10.08 - Collection, deposit and reception of cargo-related waste

[French](#) | [Russian](#)

All [vessels](#) shall carry on board for each unloading operation a valid unloading certificate in accordance with the model contained in the provisions on water protection and disposal of waste generated on board vessels in effect for the [waterway](#) concerned. Unless otherwise stipulated in these provisions, the certificate must be kept on board for at least six months following the date of its issuance.
