

Eighth Session of the Working Party and "Land Administration in Central Asia" workshop

The Working Party will hold its Eighth Session on 18 March 2013, and the workshop "Land Administration in Central Asia: Building Systems for 21st Century Challenges", jointly organized with the World Bank, on 19 and 20 March 2013. The events will be held in cooperation with the State Registration service of Kyrgyzstan and will take place at the Hotel Jannat in Bishkek, Kyrgyzstan. The Session and workshop will be held in Bishkek in order to better incorporate the needs and priorities of Central Asian countries into the work of the WPLA, which sets and advises on land administration policy for all of Europe, the former Soviet Republics, the United States, Canada and Israel. More information on these events, including information on registration, is available [here](#).
