

Article 6.02 - Small craft: General rules

[French](#) | [Russian](#)

Regional or national deviation from Article is possible under the provisions of Chapter 9

1. For the purposes of this chapter, the term “[small craft](#)” means small craft navigating alone or [convoys](#) consisting only of small craft.
2. Small craft in relation to [vessels](#) other than small craft shall leave them enough room to hold their course and to manoeuvre. They may not require that such vessels give them way.
