eTIR documentation - Homepage

Introduction

This web site features all the documentation for **Customs Authorities**, the **Guarantee Chain** and **TIR Carnet Holders** to interconnect with the eTIR international system. It is regularly updated to offer the latest versions of the documents.

Content

This website is divided in various sections:

- Legal text
- eTIR specifications
- Technical artefacts
- Project guidelines for customs to connect to the eTIR international system
- Technical Guides
- Error Management
- Privacy policy
- Procedure to translate eTIR software applications to a new language
